ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each platted and improved Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall pass to his successors in title. PROVIDED, IF A LOT IS SHOWN ON A RECORDED PLAT AND IS NOT IMPROVED WITH A DWELLING UNIT THEREON, THE DECLARANT IS NOT OBLIGATED TO PAY THE ASSESSMENTS.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the residents in the Properties, for the rental of recreation areas for the use of members, and for the improvement and maintenance of the Common Areas, including, but not limited to mowing grass, maintenance of utilities, garbage disposal, costs of repairs, maintenance, replacements, additions, management, taxes assessed against the common areas, street lighting and insurance maintained in accordance with the By-Laws and employment of attorneys to represent the Association when necessary or when the need arises.

Section 3. Maximum Annual or Monthly Assessment. Until January 1, 2002, there shall be no assessment charged by the homeowner's association. ALL MAINTENANCE ON COMMON AREAS UNTIL THAT TIME SHALL BE THE RESPONSIBILITY OF THE DECLARANT.

Until January 1, 2004, the maximum monthly assessment for an unimproved lot shall be TWENTY-FIVE (\$25.00) DOLLARS per unimproved lot. Until January 1, 2004, the maximum monthly assessment for an improved lot shall be FIFTY (\$50.00) DOLLARS per improved lot per dwelling. The Declarant shall set the assessments until January 1, 2004. Thereafter, it shall be set as follows:

- (a) From and after January 1, 2004, the maximum annual assessment may be increased each year, without a vote of the Members, if such increase is not in excess of the increase in the consumer price index as established by the Department of Labor and published the July preceding the increase.
- (b) From and after January 1, 2004, the maximum assessment may be increased each year above that established by the consumer price index by a majority vote of the members who are voting in person or by proxy, at a meeting duly called for this purpose as provided in Section 5 herein.
- (c) The Board of Directors may fix the annual assessment at an amount not in the excess of the maximum subject to the provisions of Section 6 and 7 herein.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of a natural disaster, any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose. All special assessments shall be fixed at a uniform rate for all Lots and may be collected monthly or in a lump sum.

Section 5. Notice and Quorum for any Action authorized under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any authorized action under Section 3 and 4 shall be sent to all members not less than 15 days nor more than 40 days in advance of the meeting. At the first such meeting called, the presence of the members or of proxies entitled to cast fifty-one percent (51%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at the uniform rate for all UNIMPROVED Lots and at a uniform

rate for all improved lots with a detached family dwelling and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments.

Due Dates. The annual assessments provided for herein shall commence January 1, 2002. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the association as to the status of assessments on a lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments.

Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve (12%) percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. Attorney fees, court costs, cost of mailing, advertising and any other expenses incurred to collect the assessment shall be added to the assessment and become a lien on the property and a personal liability of the owner. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property.

All property dedicated to, and accepted by a local public authority shall be exempt from assessments herein. ALL UNIMPROVED LOTS OWNED BY THE DECLARANT SHALL BE EXEMPT FROM ASSESSMENTS HEREIN. However, in any event, except for property owned by a local public authority, no property that is improved with a dwelling thereon shall be exempt from said assessments.

ARTICLE V

ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, color, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by an architectural review committee composed of three (3) or more representatives appointed by the Declarant appointed by the Board. Provided that nothing herein contained shall be construed to permit interference with development of the properties by Declarant. In the event said committee fails to approve or disapprove such design and location within sixty (60) days after said plans and specifications have been submitted to it, approval will not be required and this article will be deemed to have been fully complied with.

The architectural review committee shall establish a set of architectural standards that will include but not be limited to certain color, shape, height, and location requirements; roof materials; exterior materials, exterior colors and materials; drainage,

landscaping, driveway materials, building standards and specifications. Initial restrictions on the use of the lots are attached hereto as exhibit "E" and shall run with the land.

(a) Dwellings: The Association will not maintain the shrubbery and landscaping. The Owner's Association shall not be required to provide exterior maintenance to dwelling improvements upon the lots. Provided however if the Board of Directors of the Owner's Association should deem it necessary to provide maintenance on the dwelling in order to maintain the integrity of the scenic beauty of the development as well as to preserve the property values of adjoining owners and protect the welfare and safety of the owners using the common areas, such maintenance may be performed by the Owner's Association and charged as a special assessment against the particular lot.

(b) Unimproved Lots: The Owner's Association shall have no responsibility for maintenance of unimproved lots.

In the event that the need for maintenance or repair of a lot or the improvements thereon is caused through the willful or negligent acts of its owners, or through the willful or negligent acts of the family, guests, or invitees of the owner of the lot needing such maintenance or repair, the costs of such exterior maintenance shall be added to and become part of the assessment to which such lot is subject.

ARTICLE VII RESTRICTIONS ON USAGE

Section 1. Land use and building types. No lot shall be used except for residential purposes and a residential model as approved by the Declarant on the property. Any improvements on a lot for residential purposes shall contain a minimum of 480 square feet inside heated living space, on one floor level.
